MM Docket No. 93-31

In the Matter of

Amendment of Section 73.202(b). RM-8162  
Table of Allotments,  
FM Broadcast Stations.  
(Crescent North, California)

### NOTICE OF PROPOSED RULE MAKING

Adopted: February 9, 1993; Released: March 5, 1993

Comment Date: April 26, 1993

Reply Comment Date: May 5, 1993

By the Chief, Allocations Branch:

1. Before the Commission for consideration is a petition for rule making filed on behalf of William E. Stamps, Sr. and Patricia R. Stamps, d/b/a Let's Talk Radio ("petitioner"), licensee of Station KPOD-FM, Channel 250C3, Crescent North, California, requesting the substitution of Channel 250C2 for Channel 250C3 at Crescent North, and modification of the license for Station KPOD-FM accordingly to specify operation on the higher-powered channel. Petitioner stated an intention to apply for Channel 250C2 if allotted to Crescent North.

2. We believe the petitioner's proposal warrants consideration since it could provide the community with an expanded coverage area FM service. Channel 250C2 can be allotted to Crescent North, California, at the petitioner's specified site,<sup>1</sup> consistent with the minimum distance separation requirements of Section 73.207(b)(1) of the Commission's Rules.

3. The petitioner's modification request conforms with the provisions of Section 1.420(g) of the Commission's Rules, and therefore, we shall propose to modify the license for Station KPOD-FM without entertaining competing expressions of interest in the use of Channel 250C2 at Crescent North, or requiring the petitioner to demonstrate the availability of an additional equivalent class channel for use by such parties.

4. In view of the above, the Commission believes it is appropriate to seek comments on the proposal to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to the community listed below, as follows:

City	Present	Channel No.	Proposed
Crescent North, California	250C3		250C2

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before **April 26, 1993**, and reply comments on or before **May 11, 1993**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner's counsel, as follows:

Richard A. Helmick, Esq.  
Cohn and Marks  
1333 New Hampshire Ave., N.W.  
Suite 600  
Washington, D.C. 20036

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact Nancy Joyner, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

(b) With respect to petitions for rule making which conflict with the proposal(s) in this *Notice*, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. *Comments and Reply Comments; Service.* Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached.
